## Continence & Personal Care

A1 Hygiene offers a personal, bespoke hygiene and personal care service like no other. With over 15 years trading experience, our reputation is built upon proven product performance and exemplary levels of personal, discreet service.

Whether you are encountering a temporary situation, or you need continence care to manage the symptoms of a long-term illness. You can privately discuss all your needs and we will find the best solution for you. Our continence care range has the most reliable pads available, various dry and moist patient wipes, skin cleansers, shampoos, bedding and bed protection.

### AQL

We specialise in the highest quality medical grade Personal Protective Equipment (PPE). Disposable nitrile, latex and vinyl gloves, aprons, over-shoes, over-sleeves, poly-gauntlets and facemasks to keep yourself safe and protected.

We continually search the market to find the most effective sanitisers, surface wipes and cleaning fluids to ensure your home or work environment meets the highest standards of hygiene and reduces the risk of cross infection. All these products are available with COSHH Safety Data Sheets assuring quality.

We deliver locally, or you can call into either of our private, fully stocked showrooms.

**For more products visit [a1hygiene.net](http://a1hygiene.net) or phone 01792-411900**

Easy to use, cost effective disposable stick on or tie on bibs with crumb catcher.

Stick on Bibs - Pack 50

Tie on Bibs - Pack 100

Incontinence causes many complications. It increases skin sensitivity and skin breakdown which eventually causes pressure sores. Wipes are the perfect alternative from your usual flannel or sponge, harsh soap and water cleansing method. Whilst being gentle enough to be used on the most fragile and sensitive skin. Using single use wipes reduces the risk of cross infection.

Use with all incontinence products pages 4 & 5 & skin cleansers pages 12 & 13

**Conti® Standard** Ideal for everyday use providing a cost effective wipe that combines strength and performance in a light weight material.

Wipe size 30 x 35cm

Pack 100

Case of 28 packs

Conti® Standard

**Conti® CottonSoft** Is a cotton-enriched material providing strength and softness. The heavy weight wipe is ideal for continence care and the effective cleansing of heavily soiled skin.

Wipe size 30 x 35cm

Pack 100

Case of 20 packs

Conti® CottonSoft

**Conti® Washcloth** Is made from air laid tissue and is ideal for full body cleansing. Soft, strong and highly absorbent, this wipe lathers well with skin cleansers. Ideal for heavily soiled skin and gentle enough to be used for continence care.

Wipe size 30 x 30cm

Pack 75

Case of 24 packs

Conti® Washcloth

**Moist Wipes** are perfect for moisturising and hydrating sensitive and fragile skin. Using traditional bathing methods of soap and water can cause the breakdown of skin integrity. Simply use instead of dry wipes, skin cleansers, moisturisers and barrier creams. Using single use wipes reduces cross infection.

Use with all incontinence products pages 4 & 5

## Oasis® Wet Wipes

A dermatologically tested, pH balanced, lanolin and alcohol-free formulation. Oasis promotes skin health with a formulation that is specifically designed to provide immediate and long lasting moisturisation. Perfect for hands and face.

Wipe size 22 x 22cm      Pack 50      Case of 20 packs

## Conti® Contience Care Wipes

Dermatologically tested and pH balanced with added Dimethicone, the wipes cleanse, moisturise and deodorise whilst offering barrier protection to the skin. Clinical tests have demonstrated that **Contience Care Wipes®** improves skin moisturisation by 17%. Perfect for incontinence.

Wipe size 31 x 22cm      Pack 25      Case of 27 packs

## Conti® Flushable Cleansing Wet Wipes

A dermatologically tested, pH balanced, lanolin and alcohol-free formulation that promotes skin health with a formulation that is specifically designed to provide immediate and long lasting moisturisation. Our macerator friendly **Flushable Cleansing Wet Wipes** give you unparalleled soft, gentle efficacy and saves valuable time. Perfect for Incontinence.

Wipe size 22 x 24cm      Pack 50      Case of 20 packs

Frequent washing of skin following an incontinence episode compromises skin integrity. It is therefore recommended to use no rinse, waterless skin cleansers. These products are gentle, emulsion-based creams which help cleanse the skin and preserve its natural levels of moisture and PH balance. Cleansers remove urine and faecal matter without water while moisturising and deodorising. Additionally, use Attends Care Cream to leave a protective barrier film, helping repel water from the skin.

### Senset & Clinisan Cleansing Foam

Gentle yet effective skin cleansers that helps to prevent the breakdown of skin. Contains a deodorant to help control odours and leave skin feeling clean and fresh. As no water is needed in the application of these cleansing foam, it is ideal for use in bed or anywhere running water is unavailable. Simply spray on, leave to soak, then wipe off with Patient Dry Wipes.

Use with Patient Dry Wipes See page 10

### Attends Washing Lotion

Mild washing lotion to cleanse and soothe skin. Enriched with chamomile extracts. Does not contain soap, to be used without water. 500ml press top pump.

Use with Patient Dry Wipes See page 10

### Attends Care Cream

A rich body cream that helps alleviate skin irritation and chaffing. Protective cream for all body areas. Leave a thin protective water-resistant film on the skin. To help keep skin soft and smooth.

200ml tube.

Nilaqua is a NEW way to wash patients or loved ones effectively and easily without water, leaving them feeling refreshed and dignified. Used daily in the NHS. No need for dry wipes, harsh soap and water. Works all over the body and is ideal for anyone that is immobile or aquaphobia.

## Waterless Bodywash

Bodywash and skin cleanser that's kind and gentle to skin, no alcohol or parabens. Leaves skin soft and clean and odour free, no water or rinsing required. Apply, massage then towel-off. Delicate soap fragrance.

Available in: 70ml, 200ml, 500ml Foamer bottle

## Waterless Shampoo

No need for water or rinsing. Leaves hair beautifully soft and clean. No alcohol or parabens. Kind to scalp with no sticky residues. Delicate apple scent. Apply, massage and then towel-off.

Available in: 65ml, 200ml, 500ml

## Waterless Shampoo Cap

Microwave for a warm shampoo experience. No need for water or rinsing. Leaves hair beautifully soft and clean. Kind to scalp with no sticky residues. Apply, massage and then towel-off.

### Apply

### Massage

### Towel-Off

A1 Hygiene supplies only the highest quality **Class 1 Medical Grade AQL 1.5** disposable gloves. 15 Years of experience has proven that 'cheap' gloves are a false economy that compromises your own personal safety and increases the risk of cross infection. Caring for someone or working in an environment that encounters bodily fluids is a demanding and high-risk application and only **CE Marked Class 1 Medical Grade AQL 1.5 Gloves** should be used. These are put through a series of stringent tests assuring puncture and abrasion resistance, tension and elongation tests, and are also tested for chemical substance resistance, ensuring an effective barrier.

### Nitrile - AQL 1.5

Nitrile gloves have textured fingertips for improved grip, it is extremely soft and pliable yet still maintains a tensile strength, that feels like natural rubber. It has a beaded cuff providing additional strength and the prevention of liquid roll back. Perfect for personal care, tattooing, dentists, vets.

**Available in Blue or Black.** Sizes: Small, Medium, Large

### Latex - AQL 1.5

Latex gloves have exceptional elasticity, it is neither constricting or restrictive, providing maximum flexibility and comfort even when worn for long periods. Textured fingers for improved grip. It has a beaded cuff providing additional strength and prevention of liquid roll back. Perfect for personal care, tattooing, dentists, vets (Latex can cause allergies).

Available in: Extra Small, Small, Medium, Large, Extra Large

### Vinyl - AQL 1.5

Vinyl gloves soft formulation is flexible and dextrous providing greater comfort and with a beaded cuff for extra strength. The clear vinyl is extremely durable providing a long-life span and is excellent value for money. Perfect for general cleaning and personal care.

Available in: Small, Medium, Large, Extra Large
